FULBRIGHT OPPORTUNITY IN GEOSCIENCE

ELIGIBILITY

- Must be an Irish Citizen, or E.U. citizen living in the Republic of Ireland for the last 3+ years
- Must be a current postgraduate student, current postdoctoral scholar, or active researcher
- Must have a clear course of study in Geoscience or a relevant field
- Leadership qualities and potential are essential
- Must have a clear understanding of what it means to be a Fulbrighter
- Must not be a dual U.S.-Irish citizen, green card holder, or currently living in the U.S., or have extensive experience of studying or living in the U.S.

HOW TO APPLY?

If you meet the above criteria, please email awards@fulbright.ie stating:

- Your full name
- Area of study
- Where you intend to research or study
- How long you intend to research or study in the US. The allowable period for students is 4 months / 1 semester up to 1 year, and for scholars 3 months up to 1 year
- Home institution

We will then issue you the link to the online application system (Embark) and the guidelines.

All applications are due by 4pm Friday, October 28th, 2016

FUNDING DETAILS

- Monetary grant, plus accident and emergency insurance, cultural and professional programming, and J-1 visa administration
- Student applicants can do a full PhD or Masters in the U.S. or portion of an ongoing Irish postgraduate degree, but will need to seek additional funding for subsequent years

ANYTHING ELSE YOU SHOULD KNOW?

All successful applicants must comply with the two-year home rule, which means that awardees will not be eligible for U.S. residency or a visa until the two-year home rule in Ireland is complete. Preference will be given to visiting researchers.
