

The Fulbright Commission and Penn Law are offering this unique opportunity for an Irish student to travel to the U.S. to study for a general LL.M. at one of the leading universities in the U.S.

Penn Law's program allows recipients to design their own curriculum, but students may choose to focus on a particular topic. Additionally, students will have the ability to participate in exceptional additional programs, including the Wharton Business and Law Certificate, the LL.M. Public Service Program, and Clinical Programs. The Fulbright Commission is seeking excellent applicants with strong leadership potential and a commitment to the ethos of being a Fulbrighter.
